- Right side of your main fabric
- Left / "wrong" side of your main fabric
- Right side lining
- Left / "wrong" side lining

## 1. Prepare pocket

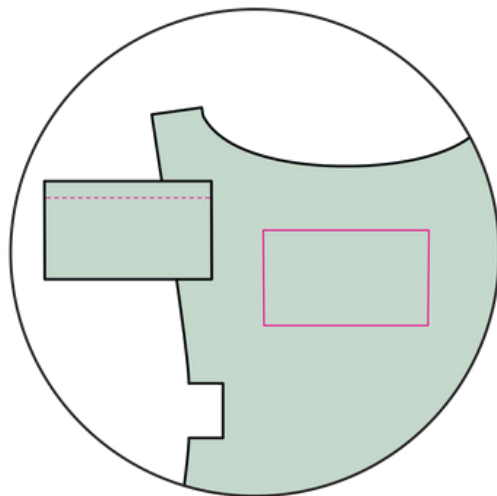

**1.1.** Zigzag the pocket all around (option to use your overlock / serger)

**1.2.** Press the upper edge right sides together on the notch. Stitch the short sides.

**1.3.** Turn the pocket right side out and topstitch the upper edge.

**1.4.** Press all three edges 1 cm inwards (left sides together).

**1.5.** Topstitch the pocket onto the right side of your lining. Use the pattern for the right positioning of the pocket.

**1.6.** Optional: Topstitch the center of the pocket or the width of your phone so it fits perfectly into the pocket.
