

Right sides together, pin the backs of pocket to the pockets. (5)

Stitch the backs of pocket to the pockets. You can finish the outer rounded edge with a bias. If not, if you use a sewing machine, overstitch it. (6)

## - 2 - Sewing the fronts, the back and the sleeves

Right sides together, pin the fronts to the back at the shoulder and the side seams. (7)

Stitch the shoulders and the sides. (8)

If you want to edge the bottom of the fronts/back of version A with a bias, you can sew it now.
