

Darina

The coatigan Darina is above the knee-length. The front has princess seams with an in-seam pockets. The front and the hood are made of double fabric. The decorative buttons create an interesting detail. The hood is snugly and large.

Projector

The front

- Place the side panel on the front piece right sides together and then on top of it lay the facing front piece (the facing is cut in the main fabric, too) the right side facing the wrong side of the side panel.
- Fold the side panel hem allowance up, so the front piece is extending by 1 cm.

Coatigan front finished

- Turn the whole piece inside out.
- This is what it looks like when you have done it.

The shoulders

- Put the front and back shoulder seams right side together and overlock. Press towards the back.
- Repeat for the front and back facing.
