Leslie's Dress

Leslie's Dress is a soft and floating summer dress with a cute bow.

This dress is designed for lightweight woven fabrics. The lighter the fabric is, the prettier the skirt is floating.

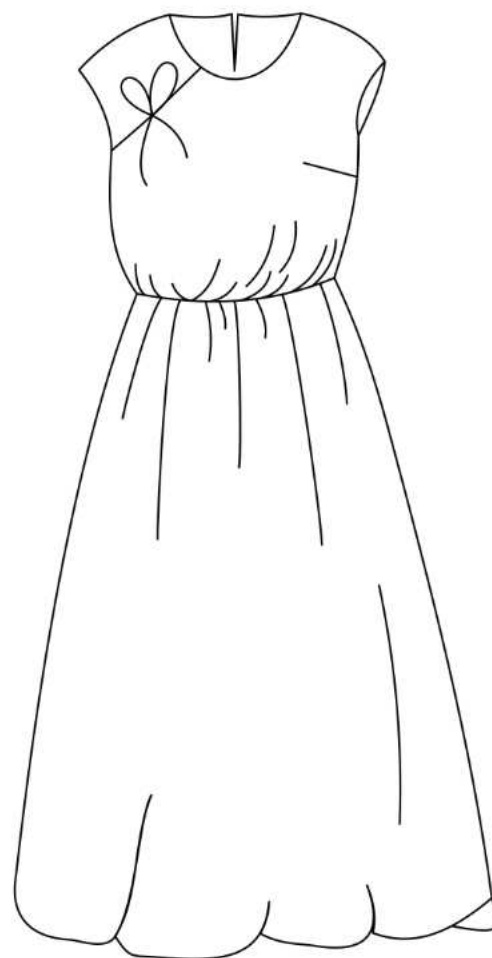

The dress has overlapping shoulders to protect the from the sun and a very cute bow.

You can choose between 4 different lengths.

What About the Sizing?

I stick to the bust circumference. Which means a bust circumference of 38 inches correlates to the size 38. Please choose your size corresponding to your biggest measurement.

The pattern is made for a body height of 172 cm.

Sizing Tables

Sizing Table (in cm)

Compare your body measurements to the ones in the table and choose the corresponding size.

Size	32	34	36	38	40	42	44	46	48	50
Bust	81	86	91,5	97	102	107	112	117	122	127
Waist	66	70	74	78	82	86	90	94	98	102
Hip	90	94	98	102	106	110	114	118	122	126

Finished Measurements (in cm)

In this table you can find the measurements of the finished garment. Your body measurements shall lay under the finished measurements as the dress is designed for non stretch fabrics.

It turned out that your bust measurements should be 7-10 cm under the finished ones. Choose the size your body measurements are matching the best. When in doubt opt for the bigger size.

Materials

Tools

- Printer
- Pins or clips
- A pair of scissors for fabric or cutter & a pair of scissors for paper
- A sewing machine (optional a Serger)
- An iron and an iron board
- Measuring tape
- Marker
- Sewing needles

Material

- Fabric and matching thread
- Fuse-able interfacing (H150)
- Seam tape
- One little button or eyes and hook
- Elastic string ca. 70-110 cm

Fabric choice

The pattern is designed for medium to light woven fabrics e.g.: Rayon, Crepe, Silk, Voile, Satin.

The lighter the fabric is the prettier the skirt flows.

Pay attention with very light fabrics that it doesn't distort or stretch while sewing. Use a walking foot or decrease the foot pressure and fuse on interfacing or seam tape.
