

BUCKET HAT ANGELO

55 - 67CM

20 3/4 - 26 1/4IN

Bucket hat Angelo

Multifunctional hat in a large range of sizes.

This hat offers stylish protection in all seasons. The pattern is for a lined hat, but if the fabric is very stable, you can omit the lining.

If you want to wear it in the rain, choose a coated fabric and make it from a warm fabric. For a sun hat we suggest canvas fabric.
