**Important for ebook:** Before printing the option “fit-to-page” must be disabled!

The printing scale must be 100%. The printed pages must be assembled following the order of the numbers. On the square of 5 x 5 cm you can measure if the printed pages have the right size.

Hat part on each other right sides together and sew the side seam first. Stitch only to the seam allowance!

Sew the next 2 pages as well, making sure that is quilted exactly to the end point of the first seam. In the last seam cap close to a ring.
