VIDEO TUTORIALS

To help you make your Calder pants, you can follow our video tutorials on our website and YouTube channel

<http://www.lespatrones.fr/tuto-couture-videos-pas-a-pas/>

There you'll find not only the complete video on the Calder pants, but also the following videos on:

- How to cut and place your fabric
- Oversewing
- How to take up a hem

Step 1: Preparation

A THE CUT

REMEMBER:
A 1CM SEAM
ALLOWANCE
AND A 3CM HEM
ALLOWANCE ARE
INCLUDED!

- 1 Iron your fabric (which should ideally have been washed beforehand) and fold it in 2, in the direction of the grain line (parallel to the selvedge).
- 2 Trace and/or cut out your pattern piece to the desired size.
- 3 Put the pattern piece on the fabric, following the the grain line, and pin the two together (cf. lay plan diagram).
- 4 Cut your fabric right upto the edge of the pattern piece.
- 5 Transfer the pattern markings and piece numbers using chalk or fabric marking pencil.

B THE OVERSEWING

Oversew all your pieces with a zigzag stitch using either a sewing machine or serger.
