

## *Instructions for the use of the Plott (hanger) of picture from HaseKreativ*

*Hello, dear customer / Dear customer,*

*you have received from us today one or several Plottbilder.*

*Here you receive a few more tips for the use:*

- 1. The motive is on a sticking carrier foil. This EVEN ON NONE FALL before the application on the textiles remove!!!*
- 2. The textiles should be unwashed before the application of the motive.*
- 3. Lay the textiles, flatly, on a hard subsoil (e.g., floor, tabletop).*
- 4. Release the textile surface from fluffs and hair (If the motive is ironed, hair and Co with are held on. To remove this behind the motive would destroy.)*
- 5. Position the motive with the sticking side in the direction of textiles on the textiles. Smooth! With multicolored motives: From Largely after iron Small or follow the numbering. The first part has the No. 1*
- 6. Position on it the pan liner.*
- 7. Irons on cotton allow to put and heat.*
- 8. Now with pressure the iron ~ 17 press sec. the motive with the pan liner about that! If the motive is bigger like the iron surface, raise bit by bit the iron again and anew positioned squeegee.*
- 9. Irons remove — remove pan liner*
- 10. Draw off CAREFULLY the carrier foil — looks after aob her foil have drawn off them coldly becomes or warmly I use i.d. R the warm variation.*
- 11. Should the motive not free itself completely bring everything again in position and repeat step 6-10!*
- 12. Lay finally once again the pan liner about the motive and with light pressure about the motive iron.*

*Ready &lt;3*

*A lot of joy with motive!*

*Tips to the care:*

- 1. Textiles on on the left turn before washing*
- 2. Economically conditioners use*
- 3. Dryer renounce motive can contort or solve!*
- 4. Not more than 40 ° washing*

*It is pronounced no Gelinggarantie for the use of the motive. The tips are merely recommendations for the best possible use!*
