

Pavonis

by Robynn Weldon

Pavonis is a beautifully wearable sleeved wrap. Peacock-inspired beaded lace is the focal point of this asymmetrical, seamless garment, worked as a rectangle end to end with sleeves added afterward. The main body and sleeves are worked in reverse stocking stitch, with columns of eyelets to define the long edges.

Keeping the main fabric plain with dramatic deep, flared lace borders creates a clean, un-fussy yet impactful style, while showing off a lustrous hand-dyed yarn.

Offered in four sizes that cover a wide range, it is easy to adjust for a perfect fit.

As it is very easy to adjust the cross-back width and front lengths to the perfect proportions for your body (see Note, p2), I recommend choosing a size based on the upper arm measurement, allowing ease: 33.5 (37, 40.5, 44.5) cm / 13.25, 14.5, 16, 17.5) in.

Gauge: 28 sts x 40 rows = 10cm / 4in square in stocking stitch, post blocking (see Note, p2).
