Abbreviations

This pattern is written in US terms. I have attached a conversion table for US/UK terms at the end of this document

ch – chain stitch

sl – slip stitch

sc – single crochet

hdc – half double crochet

dc – double crochet

Magic Ring

Repeat instructions in [] as often as indicated by the x

Number in () indicates total number of stitches for this round

Please note:

If not indicated otherwise, this project is worked in spiral rounds, which means that the rounds are NOT connected by a slip stitch at the end of each round.

To mark the beginning/end of a round, you can use, for example, a stitch marker, a safety pin or a short piece of yarn in a different color.

Head

The head is made of 2 halves that are worked separately and connected afterwards

1. Rd.: Magic Ring with 8 sc (8)
2. Rd.: [inc] x 8 (16)
3. Rd.: [sc, inc] x 8 (24)
4. Rd.: [2 sc, inc] x 8 (32)
5. Rd.: [3 sc, inc] x 8 (40)
6. Rd.: 40 sc

For the first half: finish the last round with a sl, then fasten off and sew in all the ends
For the second half: do NOT fasten off as this yarn will now be used to crochet both halves together

Now place both halves onto one another with the backs facing towards the inside. Insert the hook through BOTH halves, yarn over and work a sl.
