**Please Note:**

For these “Funny Owls” I am convinced, the more colors you use, the happier they look! Therefore, I have intentionally NOT indicated certain colors for each body part. However, the pictures included in this pattern may give you an idea of some of the possibilities and serve as inspiration. Please let your imagination run wild here and feel free to use any combination of colors you like best.

If not indicated otherwise, this project is crocheted in spiral rounds, which means that the rounds are NOT connected by a slip stitch at the end of each round.

To mark the beginning/end of a round, you can use, for example, a stitch marker, a safety pin or a short piece of yarn in a different color.
