## PDF - Pattern

# ‘Spring Wreath’

First of all, I would like to thank you very much for purchasing a PDF embroidery pattern. I hope you'll have an amazing time stitching this !! As much as I did creating it !

NB. I am deeply sorry if you see some English mistakes, as you may know, English isn't my first language.

A bientôt,

I encourage you, of course, to choose your own colors !  
I used two strands.
