Before cutting out the garment pieces, add seam and hem allowances to the original contours. Seams 1,5 cm. Lay out the pattern pieces on a double layer of fabric (right sides facing).

Important:

Before printing the option "fit-to-page" must be disabled!

The printing scale must be 100%. The printed pages must be assembled following the order of the numbers. On the square of 5 x 5 cm you can measure if the printed pages have the right size.

Trace motif from pattern sheet on double-sided fusible web and fuse web to wrong side of velour patch. Cut patch along its outlines.

Remove paper backing and fuse patch to right side of front panel. Pin tear-away backing to wrong side of front panel under appliqué patch. Appliqué patch with narrow, short zigzag. Remove tear away backing

Pin and stitch foot tops (both shell and lining) to lower front panel. Clip seam allowance at curves.

Pin front and back panels of shell together, right sides facing and stitch shoulder seams. Stitch shoulder seams of lining as well.
