

Monkey Garland

SEWING PATTERN

5. NOW LAY THE TWO MATCHING COLOURED HEAD SHAPES TOGETHER AND PIN. ONE SHOULD BE ON TOP OF THE BODY SHAPES, AND ONE UNDERNEATH, SO THAT THE BODY IS TRAPPED BETWEEN THE HEADS. STITCH AROUND THE HEAD AND INSERT A VERY TINY AMOUNT OF TOY STUFFING INSIDE.
6. REPEAT STEPS 4 AND 5 TO COMPLETE ALL 5 COLOURED MONKEYS.

Assembling the Garland

1. THREAD THE RIBBON OR TWINE ONTO THE EXTRA LARGE NEEDLE. CAREFULLY WIGGLE THE NEEDLE THROUGH THE CENTRE OF EACH MONKEY. ARRANGE IN THE ORDER THAT YOU WOULD LIKE.
2. IF USING RIBBON, FINISH BY CUTTING ON A SLANT TO AVOID FRAYING. NOW FOLD OVER THE ENDS TO FORM A HANGING LOOP. SECURE USING A STITCH, AND A BUTTON TO DECORATE.

your monkey garland is complete!
