Select size based on the bust or hip measurement, depending on which is greater for making a jumpsuit.

Select size based on bust measurement if only make a top..

RECOMMENDED FABRICS

Linen, Tencel, crepe, rayon, cotton, ramie.

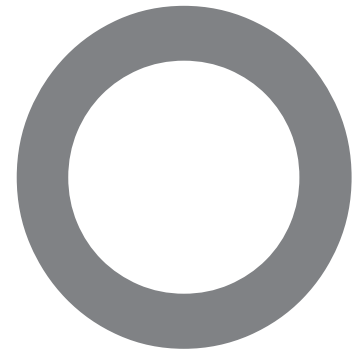

FABRIC REQUIREMENTS

This pattern is designed to be hacked and adapted, so if you make only the top you will need 1m/1.1yds, or if you make a jumpsuit, the amount you need will vary. Fabric widths vary a lot so as a guide, the general rule is to measure twice your length to estimate fabric requirements.

SUPPLIES

Shirring elastic.

0.7cm wide elastic to fit chest.
