Assembling

The hood

Position the hood on the head and sew 4 sts from the hood with 4 sts from the last rnd of the head at the nape of the neck.

Option: if you want to add a few strands of hair to Lilou do it before sewing the hood to the head.

The head

Position the head on the body and sew, being careful that the face is well positioned.

The arms

Sew both arms onto the body - underneath the next-to-last round.

The ears

Sew the ears onto the hood between rnd 15 and 18.
