Assembling

The hood

Position the hood on the head and sew 4 sts from the hood with 4 sts from the last rnd of the head at the nape of the neck.

Tip: sew or glue the strands of hair before sewing the hood to the head.

The head

Position the head on the body and sew, being careful that the face is well positioned.

The horn

Sew the horn between rnds 13 and 20 of the hood.

The ears

Sew the ears between rnds 11 and 13 of the hood.

The flower

Sew or glue the flower next to the horn.

The arms

Sew both arms onto the body - underneath the next-to-last round.
