Important note

At the acquisition of one or more digital templates you get only exclusively the license for private use of the files and graphics

The acquisition does not transfer any rights of the illustrations and graphics. Imitation, copying and duplication are strictly prohibited.

The illustrations and templates inclusive the content of the files are copyrighted and intellectual property of goebie-design. The commercial use and (re-)production – even in parts – are excluded.

These products are about digital designed templates for the DIY sector and not a physical object, why a return or exchange is excluded

The offered templates were created with the utmost care. If there should be difficulties opening or even implementing so will be promptly sent a message to goebie-design@email.de
