Drop single crochet	Drop sc
Back loops only	B.l.o
Single crochet two together	Sc2tog
Skip	Sk
Stitch(es)	St(s)
Slip stitch	Sl st
Repeat	Rep

Special notes and stitch instructions

- Ch2 counts as a hdc.
- Only sl st when pattern calls for it.
- Hat is worked in the round.
- Sc2tog/decrease sts are made over 2 sts.
- Sc2tog/dec: Insert your hook into the st, yo, pull up a loop (2 loops on the hook), insert your hook into the next st, yo, pull up a loop (3 loops on the hook), yo, pull through all 3 loops on the hook.
- The feather st for the hat and the scarf will look different. The hat is done in the round without turning and you turn after every round when you do the scarf.

Scarf

- Shell: (2dc, ch1, 2dc) in the same st.
- Scarf pattern is multiples of 3+5, so you can make it any size you want.
- Turn after every round.
- Cl sts are made over 3 sts.
- When you do the gauge swatch, the cl sts will pull inwards and the swatch will shrink by .5, the next row will stretch out the swatch and it will give you 4'.
- Sc2tog/dec: Insert your hook into the st, yo, pull up a loop (2 loops on the hook), insert your hook into the next st, yo, pull up a loop (3 loops on the hook), yo, pull through all 3 loops on the hook.
- Scarf measures 237 cm.
- The pictures are there as a visual guide. Look at the pictures and read through the notes.
- The st marker is there to mark your row when crocheting in the round.
- The scarf is done with both the feather st and cl st.
