

# Ren Fest Shawl

Designed by Tamara Moots

## ABOUT THE PATTERN

The Ren Fest Shawl is a semi-circle worked from the top down with simple increases, garter stitch edging, section cables that continue from the top all the way through the bottom edge and complementary bottom cabled panels. This shawl boasts a generous wingspan allowing the bottom cable panels plenty of drape for a warm and cozy garment that feels fancy to wear. Perfect for festivals or an evening out. Cables are charted and written.
