

CROCHETED CITY BAG.

hook: N. 2 skeins 800 yds each 4 ply yarn.

Crochet

Using 2

strands of yarn, form a foundation chain of 25.(check utube for description of a foundation chain. Now SC 2 (single crochet) into the corner st and 1 SC in ea st across to the other side where you will SC 2 into that corner(ea corner will have 2SC into one st, then 1SC followed by 2SC into 1 st. All 4 corners will have this). For 5 rows you will SC1 into ea st around until you reach a corner,then follow pattern above for corner formation. ROW 6: crochet the crunch st: Slip st into the st., followed by 1HDC into the next st., then slip st. Repeat the pattern around.(Check utube for directions of the Crunch st. if necessary) You will follow the pattern until you reach your desired length. FORMING THE HANDLE: Find the center of the bag and ch10 now skip 8 sts., in the 9th st, continue with the crunch st around to the opposite side. Again ch10 and skip 8 sts., then at the 9th st continue with the crunch st pattern. When you arrive back at the chain handle, here you will SC 14 into the chain, then proceed with the crunch pattern to the opposite chain handle, again SC 14 into the chain. Do this for 2 more rounds. Fasten off.
