### Box pleat:

Before cutting out the front, **do not** place the center front at the top on fabric fold, but 2 cm/ 0.79 in. away from it. This results in a box pleat.

Fuse interfacing to 4 pieces of bows ties and inner yoke panels.

Pin bow ties together, right sides facing and stitch. Leave bottom edge open for turning tie right side out.

Trim and taper seam allowances and cut the corner. Turn bows right side out and press.
