

11 You should now have four pieces that look like the ones in the photo.

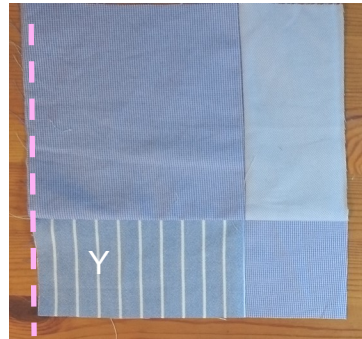

12 Leave the piece on the top left hand side (piece W) as it is.

13 Turn the piece on the top right hand side (piece X), 90 degrees (one quarter turn) clockwise, so it looks like the piece in the photograph.

14 Turn the piece on the bottom right hand side (piece Y), 180 degrees (two quarter turns) clockwise so it looks like the photo.

15 Turn the piece on the bottom left hand side (piece Z), 270 degrees (three-quarter turn) clockwise so it looks like the photo.
