

motley entrelac blanket

holliyeoh

Bring out your inner jester with an eye-catching combination of contrasting brilliance. Entrelac is one of those techniques that is far easier to work than the impressive result suggests, and that goes double for this two-colour version, which only works one colour at a time. Use all your favourite colours all at once to make the best of this fun and interesting skill.

Sizes

Baby (Stroller, Lap, Throw, Twin, Full/Queen)

Shown in Throw size.
