

### Materials Needed

You will need about  $\frac{3}{4}$  yard ( $\frac{3}{4}$  meter) of woven, cotton fabric (quilting cotton or 100% cotton). Stretchy fabric may be substituted if you are comfortable with a stretch stitch or serger.

You will need [1/2" width elastic](#) (1.27cm) for the waist and [1/8" width elastic](#) (.64cm) for each leg opening.

This pattern can be finished in 7 different sizes: newborn, 0-3mos, 3-6mos, 6-12mos, 12-18mos, 2T, and 3T. It is a generous fit for all sizes.

If the child is in between sizes, we suggest sizing up on the cut of the pattern and sizing down on the elastic. (e.g. cut a 3-6mos pattern but 0-3mos elastic).

The chart below has been created using average sizing on ready-to-wear clothing. For greatest accuracy, please measure the child you are sewing for to determine the length of elastic you will need.

If the baby or child is available, please take their measurements to ensure the greatest accuracy. Measure the waist (just below the belly button) and subtract 1" (2.54cm) (this will allow for stretch and provide enough for the

overlap). Measure the thighs at the top, widest part of the leg and subtract 2" (5cm) for stretch.

Petal Bloomers Elastic Cut Chart				
Waist (Cut 1) 1/2"wide			Thigh (Cut 2) 1/8" wide	
nb	14"	35.6cm	7.25"	18.4cm
0-3	14.5"	36.8cm	7.5"	19cm
3-6	15"	38cm	8"	20.3cm
6-12	15.5"	39.4cm	8.5"	21.6cm
12-18	16"	40.6cm	9"	22.9cm
2T	17"	43.2cm	10"	25.4cm
3T	18"	45.7cm	10.5"	26.7cm

Also helpful: soft measuring tape, cutting mat, rotary cutting tool, straight pins, [sewing clips](#), [bodkin](#) for pulling elastic through (you can also use a safety pin), iron, ironing board, [pinking shears](#) (or serger) \*\*The links in this pattern are affiliate links.
