Foreword

The pattern includes step-by-step illustrated instructions how to crochet a dress for about 13-inch doll. You can create a very extended collection for your doll using only this one pattern and different colors of yarn. This dress looks fantastic any way!

You crochet the dress from the top down in one piece. There is no need to sew, accept the buttons at the back side and front decoration if you wish.

You can crochet this dress with cotton or any other yarn your choice.

Skill level: Easy to Intermediate

This dress is actually easy to make, but you should have already crocheted several projects before you start with it.

You will need to crochet following easy stitches: chain stitch, single crochet, double crochet, slip stitch. You should also can crochet 2 double crochet together.

Notes

(please read all notes before you start and if something is not clear in the instructions, please check these notes again)

- You will make the dress in one piece first in rows, starting with the neck and then in rounds, making the skirt.
- Each row or round starts with chain 2 (counts as 1st double crochet). Further on in the instructions these 2 chains are not mentioned separately (e.g. if you read at the beginning of the row "Crochet 7 DC", it means "chain 2 counts as 1st double crochet, and 6 double crochet").
- Do not forget to turn at the end of the row.
- By crocheting in rounds, each round always ends with a slip stitch, to join the beginning and end of round.
- If it is not mentioned separately, it means that 1 stitch (e.g. 1 double crochet) is worked in the following stitch. If you read "10 DC", it means you should make 1 double crochet in each of the following 10 stitches.
- You crochet normally working through both loops of the stitch. It will be extra indicated if you should crochet working through back or front loop only.
- Increase: 2 DC in the next same stitch
- Decrease: crochet 2 DC together
