Notes

(please read all notes before you start and if something is not clear in the instructions, please check these notes again)

- You will make the dress in one piece first in rows, starting with the neck and then in rounds, making the skirt.
- Each row or round starts with chain 2 (counts as 1st double crochet).
- Do not forget to turn at the end of the row.
- By crocheting in rounds, each round always ends with a slip stitch, to join the beginning and end of round.
- If it is not mentioned separately, it means that 1 stitch (e.g. 1 double crochet) is worked in the following stitch. If you read "10 DC", it means you should make 1 double crochet in each of the following 10 stitches.
- [...] – the group of chains to repeat
- (=x) – the number of stitches in the row or round in total

Gauge

with crochet hook size 2.25 cm and yarn 125 meters / 50 grams:
24 double crochet = about 4 inch (approx. 10 cm)
Change hook size if necessary, to obtain gauge.
