THE PETAL TOP

I am super grateful and excited that you are using my pattern. I would love to see your lovely creations, use **#ThePetalTop** to connect on Instagram.

Happy sewing, love Tammy

Please read all instructions BEFORE printing and sewing the pattern.

Description: The Petal Top is a sleeveless, round neck top with an exaggerated peplum.

Difficulty level: Advanced Beginner - sewing curved seams can be a little tricky, but with patience and a lot of pins, you can do it!

Seam allowance: all pattern pieces include a 1 cm seam allowance.

Suggested fabric: for the best results, use Neoprene or Scuba fabric.

Printing Instructions

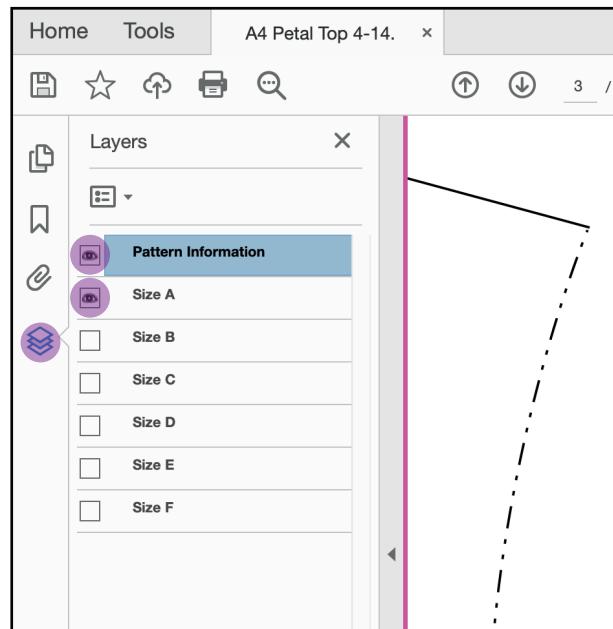

Print using 100% scale.

Print page 1 first and use the test square to check the scale is correct.

This pattern has layers for the individual sizes. To print your specific size, open the PDF file in Adobe Acrobat Reader.

Go to the top of the menu bar and select -
View > Show/Hide > Navigation Panes > Layers

- Select the icon “layers”
- Each layer has an “eye” icon beside it
- Uncheck the “eye” icon for the sizes you do NOT want to print
- Leave the “eye” icon checked for the size you want to print
- Leave the “eye” icon checked for the layer “Pattern Information”

SIZE CHART

The Petal Top is designed to have an oversized fit.

If you would like the top to be fitted, choose your size by following the “finished measurements”.
