

Sewing instructions

- 1 - Assembling the inseam

Panties with front and back in two pieces AND entire lining, go to [step 5 on page 7](#).

Panties with front and back in one piece, go to [step 7 on page 7](#).

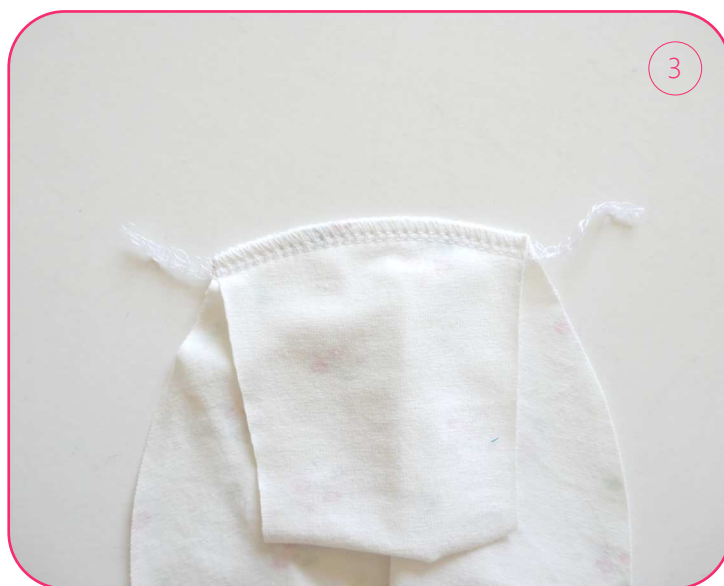

Place the front right side up, then the back wrong side up and finally the inseam wrong side up. (1)

Pin all three layers together. (2)

Stitch the three layers together (you can baste them beforehand if you find it easier). (3)

Turn the lining on the front piece, wrong sides together, and baste them at the thighs to hold them together and make the next steps easier. (4)

Then go to [step 7 on page 7](#).
