Basic knirps &
Jinniks favorite

1. Material

- printed pattern
- elastic fabrics
- scissors and glue
- chalk or a trick marker
- if necessary: Buttons, Lace ...

2. Material Consumption

size	74/80	86/92	98/104	110/116	122/128	134/140	146
	0,4m	0,5m	0,5m	0,6m	0,7m	1m	1m

3. Cutting

When printing, make sure to print the pattern with the setting "in 100%". Otherwise, there may be a shift of 0.5cm, which will result in a significantly larger result.

Basic knirps and Finnicks favorite are designed exclusively for stretchy fabrics.

Please note that both seam and hem allowances are included in the pattern. The included seam allowance is 0.75cm, the hem allowance is 2cm.

So remember not to add any extra seam or hem allowance!

Which pattern pieces do you need?

- front
- back
- Dividers if necessary
- 2 sleeves
- inner and outer hood
- cuff if necessary

This pattern gives you a lot of variation possibilities.

If you want to sew a simple shirt, the basic knirps is just right for you. But you can also sew a hoodie with a subtle highlight from the pattern.

The following sewing instructions will guide you step by step to the finished sewing piece.

On the following pages you will find the instructions for:

| 4.4 | Hood | page 18 - 20 |

4.1 Basic knirps

a) Place the front and back pieces right on right together and close the shoulder seams with an elastic stitch.

b) If you want to sew your hoodie with long or short sleeves without cuff, you can hem them now.

c) Now pin the underarm seam of the sleeves seam to the side seam of hoodie so that the right sides of the fabric are facing each other and sew them on with an elastic stitch.

Be careful not to pull on the fabric.
