Cuffed Sleeve Dress For 18" Dolls

All New 18" Dress

1804 The 18" Cuffed Sleeve Dress is the sister pattern to the Elastic Sleeves Dress. Use the elements from both to make many beautiful outfits.

There are so many ways to use this pattern and the Elastic Sleeve pattern. You can find ideas on my Pinterest Board:

See 1810 or 1827 for skirts. See 1806 for sleeves. See 1863 and the other romper patterns for new front bodices.

Full Size Patterns

Your pattern file contains full size vector drawn pattern pieces. These need to be printed out at 100%.

Extras

You will also find a printable folder divider page and an envelope design to make so you can file your patterns easily.

You can print these out 'fit to page' if US Letter cuts them off a bit.

Pictorial Tutorial

There is a Pictorial Tutorial combining text and line drawings.

This tutorial is meant to be printed out for easy access to the instructions.

Printing at 100%

When I make my pattern pieces I try to arrange them so they will print on A4 or US Letter. Any problems just let me know.

I have saved this file so it will print by default at 100%. This means that you can print without having to set the %. This works well for you if you print from your phone or ipad.

I still recommend you check that the 1" square is exactly 1".

The easiest program to use on a computer for printing is Adobe Reader.
