

# Comfy Cardy

*Versatile Outer Layer*

## Slouchy Cardigan For 18" Dolls

### Easy Knit Sewing

This relaxed fit cardigan makes a great outer layer for most garments because it can fit over shirt sleeves or long straight sleeves.

It extends the life of warm weather seasonal outfits into the cooler months.

It also just looks cute on the dolls and doesn't require too much exactness with sewing to get it to fit your doll.

### Full Size Patterns

Your pattern file contains full size vector drawn pattern pieces. These need to be printed out at 100%.

### Extras

You will also find a printable folder divider page and an envelope design to make so you can file your patterns easily.

You can print these out 'fit to page' if US Letter cuts them off a bit.

### Pictorial Tutorial

There is a Pictorial Tutorial combining text and line drawings.

This tutorial is meant to be printed out for easy access to the instructions.

## Read all the instructions first

### Printing at 100%

When I make my pattern pieces I try to arrange them so they will print on A4 or US Letter. Any problems just let me know.

I have saved this file so it will print by default at 100%. This means that you can print without having to set the %. This works well for you if you print from your phone or ipad.

I still recommend you check that the 1" square is exactly 1".

The easiest program to use on a computer for printing is Adobe Reader.

**Comfy Cardy for 18" Dolls**

**18" Comfy cardy**

**Big cardigan - Page 1 of 5**

**Oversized comfy cardigan with extended shoulders and V-neck. Works with light and bulky knits.**

**1. Requirements**

25cm x 90cm (10" x 36") Optional buttons and of double knit t-shirt weight knit or medium track fleece. velcro. Buttons can be up to 1.2cm (1/2")

When you use a thicker knit to make the cardigan you need to use the wider cutting line for the neck band, piece 6. All the other pieces stay the same as for the t-shirt knit.

When removing the pattern pieces for the fronts and back you should mark the underarms with a pin.

All seams are 6mm (1/4") unless otherwise stated.

Stitch all seams with a narrow zig zag stitch of about 1mm.

**2. Shoulder Seams**

a) Stitch the shoulder seams.

b) Press the shoulder seams open. At least try to keep them open as you sew the neck band and sleeves. It spreads the bulk more evenly.

c) Mark the centre back with a pin at the bottom edge
