Bib Pants/Shorts for babies and children “Max.”

On babies and small children, bib pants look very charming! The comfortable cut is optimised for freedom of movement - perfect for active kids! The unique “Salopette” cut of the bib pants is very attractive. The buttons for the cross straps are on the back. Three buttons for each strap ensure that the pants can grow with the child for a long time. These wonderful bib pants are perfect for every day of the year and can also be worn with a long-sleeved shirt in autumn or a sweater in winter. The pattern comes with two options: Option A: long pants, or Option B: short pants for hot summer days.

Before cutting out the garment pieces, add seam allowances to the original contours: Seam allowance 1 cm / 0²⁷/₆₄ in and hems 3 cm / 1³/₁₆ in. Lay out the pattern pieces on a double layer of fabric (right sides facing).

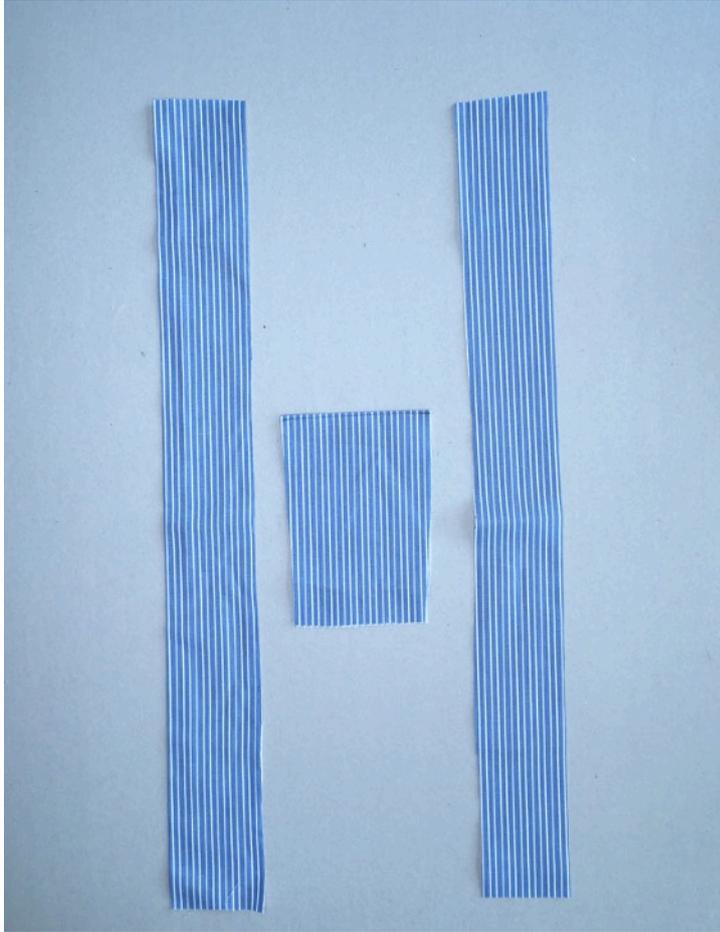

Fabric recommendation for spring and summer: Cotton fabric, linen, lightweight denim or muslin. **Fabric recommendation for autumn and winter:** Baby corduroy, flannel, light denim or gabardine.
